# HARD ROCK STADIUM

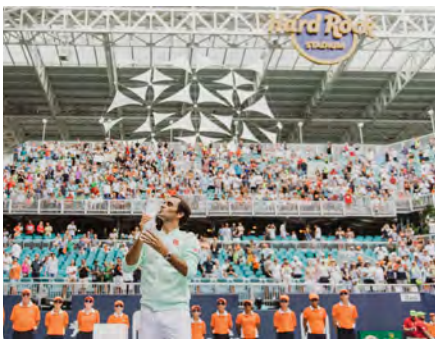
*A Global Entertainment Destination*

## HISTORY & TRADITION

Hard Rock Stadium is a multi-purpose, open-air complex that recently completed a multi-year renovation that transformed the venue to an epicenter of culture, innovation and spectacle. Home to the Miami Dolphins, University of Miami college football, the Capital One Orange Bowl game, Jazz in the Gardens, Rolling Loud and the Miami Open presented by Itau, Hard Rock Stadium features world-class entertainment through its versatility in hosting a wide variety of events. The stadium has hosted six Super Bowls (XXIII, XXIX, XXXIII, XLI, XLIV and LIV), the 2010 NFL Pro Bowl and five college football national championship games (2001, 2005, 2009, 2013 and 2021). El Clasico Miami, the first meeting of soccer giants Real Madrid and Barcelona in North America, was hosted at the venue in 2017. Hard Rock Stadium regularly hosts the Brazil Men's National Soccer Team for a series of matches, and the venue has showcased Drone Racing League since the launch of the franchise. The facility will host the 2021 College Football Playoff National Championship.

## DESIGN

Hard Rock Stadium is a global entertainment destination that recently completed a $755 million, multi-year renovation privately funded by Managing General Partner & Chairman of the Board Stephen Ross to transform the iconic venue into the best Miami has to offer in world-class fare, art, culture and an elevated guest experience. Every aspect of the facility was touched during the renovation. New seating experiences were introduced within the bowl as well as five new premium clubs. The renovation brought four high-definition video boards and the installation of a state-of-the-art canopy that keeps as many as 91 percent of guests in the shade. Remodeled, modernized suites throughout the stadium offer a more intimate club space with improved amenities and food, as well as the addition of theatre boxes and four new corner clubs. The venue boasts remodeled suites with improved amenities and food as well as new landscaping bringing nearly 58,000 new trees and shrubs to the exterior of the stadium.



## ART

Hard Rock Stadium partnered with Goldman Global Arts (GGA) for one of the world's largest indoor street art galleries. Stephen Ross, inspired by the murals that adorn Wynwood Arts District, tapped GGA for the curation of 19 murals by 18 artists from 10 different countries to transform the facility into a vibrant, monumental public art experience. The landmark #ArtUnexpected project looks to create an artistic legacy and cement Hard Rock Stadium as an iconic, world–class venue that reflects Miami's cultural significance in music, sports, entertainment and the arts.

## SUSTAINABILITY

Hard Rock Stadium phased out 99.4% of single-use plastics, including for Super Bowl LIV. On December 22, 2019 the venue was the NFL's first to feature 20oz sustainable draft cups by Ball Corporation, eliminating more than 500,000 plastic cups annually. This will eliminate more than 2.8 million pieces of plastic annually including more than 600,000 plastic bottles. The effort is in collaboration with partners Centerplate and PepsiCo.

The venue sustains a high diverted waste percentage annually through innovative sustainability efforts. This includes bio digesters and composting through liquid food digesters. Furthermore, kitchen oil is recovered into bio fuel, creating renewable energy. The facility sources products from local farms and donates its excess food to local missions. Additionally, the stadium has a no plastic straw policy, waterless urinals and touchless sensor faucets, sorting and recycling as well as energy-efficient LED lighting, and a reduction on paper from mobile tickets and payments. Hard Rock Stadium is a proud member of the Green Sports Alliance.

## TECHNOLOGY

Hard Rock Stadium maintains a commitment to providing its guests with the most innovative technology. With the recent 5G installation in partnership with Verizon, Hard Rock Stadium sits at the forefront of technological advancements and strives to make each experience for its guests as seamless and user-friendly as possible.

## WORLD-CLASS FARE

Hard Rock Stadium embarked on a journey of listening to guests and asking what they prefer for their palate on game day. Years later, this commitment to bring fresh, diverse flavor to guests remains strong. An emphasis is placed on innovative, local cuisine, and together with hospitality provider Centerplate, the venue curates an unparalleled food and beverage experience throughout the facility to all guests.

# MIAMI DOLPHINS AND HARD ROCK STADIUM HEALTH AND SAFETY INITIATIVES

The Miami Dolphins and Hard Rock Stadium limited attendance to 13,000 fans for games during the 2020 season.

The organization conducted a thorough review starting in late March of the fan experience with the intent to provide minimal contact for guests and announced a series of initiatives in July designed to create a safe environment in 2020. Policies for the 2020 season include:

- GBAC Star certification
- Socially distanced seating clusters
- All fans and stadium employees are required to wear a mask when not actively eating or drinking
- Upgrading Air Conditioning filters from Minimum Efficiency Reporting Value (MERV) 10 to MERV 14 (Hospital Grade)
- Mobile touchless entry with more points of entries and exits to help avoid bottlenecks at ingress/egress
- Staggered gate entry with entry times listed on game tickets
- Cashless experience for food service, parking and retail
- New walk through metal detectors with touchless security screening to allow fans to keep all items in their pockets for faster entry
- 1 metal detector for every 104 fans vs 1 metal detector for every 394 fans in 2019
- Changing from manual to contactless toilets and faucets
- No smoking inside the stadium or helixes
- No tailgating for 2020 season with parking lots open two hours before kickoff instead of four hours

Upon entry, fans go through a touchless security scan. Food, beverage, parking and retail is a cashless experience supported by in-app mobile and credit card payment options. Express pickup for food and beverage is also available and fans receive SMS notifications when their order is ready. Furthermore, all manual faucets, toilet handles, toilets, soap dispensers and paper towel dispensers have been changed to automatic sensors to provide a touchless restroom experience.

These programs are in addition to Hard Rock Stadium becoming the first stadium in the world to receive GBAC STAR™ accreditation from the Global Biorisk Advisory Council (GBAC), a Division of ISSA, the worldwide cleaning industry association. Hard Rock Stadium completed 20 program elements focused on cleaning, disinfection and infectious disease prevention practices to control risks associated with infectious agents.

Season ticket members had first priority to purchase tickets based on their tenure. All season ticket members had the option to roll their 2020 payments into the 2021 season and retain all of their tenure, seats and associated benefits, and any season ticket members who may be considered at-risk based on CDC guidelines were strongly encouraged to exercise the 2021 option and stay at home in 2020.

# MIAMI DOLPHINS ANNOUNCE GAME DAY THEATER AT HARD ROCK STADIUM AND VIRTUAL MEMBERSHIP PASS PRESENTED BY BUD LIGHT

The Miami Dolphins announced a new Game Day Theater at Hard Rock Stadium and Virtual Membership Pass for the 2020 season. The experiences presented by Bud Light offered fans two unique ways to enjoy Dolphins games and further engage with the team. The Game Day Theater at Hard Rock Stadium uses the existing outdoor theater setup that has been operating since June to broadcast Dolphins home and away games on the complex's fountain plaza video board, providing a self-contained, socially distant entertainment environment for 386 people.

The Virtual Membership Pass, exclusively available to current Dolphins Season Ticket Members, includes a second screen experience with a game day stadium show, trivia, giveaways, stats and team content. The second screen experience was available starting with the first regular season home game on September 20 when the Dolphins faced the Buffalo Bills.

"It's a fundamental human need to enjoy life's experiences together with other people," said Miami Dolphins Vice Chairman and CEO Tom Garfinkel. "The Game Day Theater allows 386 fans to enjoy games in a safe environment where they can be socially distant and socially present at the same time. The Virtual Membership Pass uses technology to simulate the in-stadium entertainment show wherever a fan might be, to bring them closer to other fans and provide a richer experience."

Seating options for the Game Day Theater include bean bag loungers and private cabana shells with up to four guests, living room boxes with up to eight guests, a south lawn sports bar with a table and lounge pods and a game day café dining area. Mobile food and beverage ordering are also available with delivery right to guests' seats. Dolphins season ticket members have access to exclusive discounts and benefits at the theater. A designated entrance for theater guests opens two hours before kickoff and dedicated parking for both early and late arrival is available.

Additionally, the Virtual Membership Pass benefits will continue year-round and include player and alumni appearances, discounts and promotions, special events and additional perks. Virtual Membership Pass cards will be available and can be placed in an Apple or Google wallet.

## MIAMI DOLPHINS FOUNDATION FOOD RELIEF PROGRAM

In the midst of record unemployment and food insecurity brought on by COVID-19, Miami Dolphins Owner Stephen Ross and the Miami Dolphins Foundation announced a multi-million-dollar major-gift commitment through the Miami Dolphins Foundation at providing jobs and nutrition on a sustained and long-term basis through the Miami Dolphins Food Relief Program.

The 12-month program that started on June 1 provides 1,000 meals prepared by Centerplate, the team's food, beverage and retail partner, each weekday out of Hard Rock Stadium to families in need in Miami Gardens. Each weekend, the Dolphins work with area churches, local leadership, and community groups to purchase food from local restaurants to provide a minimum of 1,000 meals each weekend that will be distributed to those dealing with food insecurity. Through these partnerships, the program generates jobs and revenue for the local restaurant industry, while employing guest services and security staff at the stadium that have been idled as a result of COVID-19-related event cancellations. To reinforce these initiatives, Stephen Ross and the Miami Dolphins Foundation announced in September that at least $1 million will go directly towards supporting minority owned restaurants.

Stephen Ross and the organization will invest $2 million in the Miami Dolphins Foundation Food Relief Program and will work to raise an additional $1 million by matching all dollars raised by the South Florida community and Miami Dolphins fans worldwide. Together with corporate partner contributions, the program looks to make a potential $4 million total impact. Individuals and businesses that wish to participate in the match program can donate online at dolphins.com/meals.

# MIAMI DOLPHINS FOUNDATION FOOD RELIEF PROGRAM MINORITY OWNED RESTAURANTS

After a successful launch to the Miami Dolphins Foundation Food Relief Program on June 1, Owner Stephen Ross and the Miami Dolphins Foundation announced that at least $1 million will go directly to support minority-owned restaurants. The year-long commitment has provided 1,000 meals each day prepared by Centerplate and local minority restaurants impacted by COVID-19 to assist those dealing with food insecurity in Miami Gardens and the surrounding communities.

"The African American community has been disproportionately impacted by the effects of the pandemic," said Tom Garfinkel, Miami Dolphins Vice Chairman and CEO. "We wanted to be intentional in supporting minority-owned businesses right here in our backyard, while working to mitigate the growing problem of food insecurity."

Ross and the organization invested $2 million in the Miami Dolphins Foundation Food Relief Program. The program received a $1 million gift from the Lennar Foundation and is working to raise an additional $1 million from the South Florida community and Miami Dolphins fans worldwide that Ross will match for a potential $5 million total impact. ## MIAMI DOLPHINS DONATE EQUIPMENT AND MEALS TO 1,000 HIGH SCHOOL AND YOUTH FOOTBALL PLAYERS AS PART OF THE JUNIOR DOLPHINS DONATIONS PRESENTED BY BAPTIST HEALTH

The Miami Dolphins as part of the Junior Dolphins Donations presented by Baptist Health visited nine high schools and three youth parks throughout Broward, Miami-Dade and Palm Beach counties to distribute "fit kits" as well as meals from the Miami Dolphins Foundation Food Relief Program in an effort to support the healthy and active lifestyles of student-athletes facing athletic programming cancellations and closures due to COVID-19 concerns. Beginning Monday, Oct. 5 and concluding Saturday, Nov. 14, the Dolphins impacted 1,000 student-athletes by distributing 3,000 meals and 1,000 fit kits, which included cones, stretch bands, a jump rope and mask. The Dolphins also donated football equipment, electronics, uniforms and cleats to programs in need.

"The Miami Dolphins, in collaboration with Baptist Health, initiated these donations to support high school, youth athletes and schools by providing them with resources to practice and play despite challenges they have experience due to COVID-19," Miami Dolphins Senior Director of Community Affairs and Youth Programs RaShauna Hamilton said. "We wanted this program to be both intentional and impactful. With the food disparities currently faced by our community, we incorporated the Dolphins Foundation Food Relief Program to give kids the meals they need to fuel their bodies and live healthy, active lifestyles as they return to play safely."

"We are proud to partner with the Miami Dolphins to provide these meals and equipment to high schools and youth parks across South Florida for the second consecutive year," Miami Orthopedics & Sports Medicine Institute Chief Medical Executive and Miami Dolphins Team Physician Dr. John Uribe said. "In this unprecedented and challenging school year, it is more important than ever that we give our youth the equipment and tools to not only excel on the field but support a healthy lifestyle as well. As our partnership with the Dolphins expands, we look forward to continuing to positively impact the community in years to come."

This season, the Junior Dolphins Donations presented by Baptist Health visited Coral Reef Senior High School, G. Holmes Braddock Senior High School, John A. Ferguson Senior High School and Miami Senior High School in Miami-Dade County, Charles W. Flanagan High School, Coral Glades High School, McArthur High School and West Broward High School in Broward County, Boynton Beach High School and Royal Palm Beach High School in Palm Beach County as well as youth football programs including the Kendall Hammocks Warriors, Miami Xtreme Hialeah Cougars, and North Miami Beach Sundevils.

"You got people that actually care about you, want to give back to you and it feels good to see my teammates smile, to have something new for once and I want to thank the Miami Dolphins for looking out for us," Miami Senior High School student and football player Makai Lovett said.

"Under these circumstances we as a school, the kids, the staff, community and alumni, we needed something like this to happen," Miami Senior High School Athletic Director Leonard Graham said. "The Miami Dolphins went beyond. This was not expected and we are very grateful for being one of the schools for this great gesture they are providing us. A lot of our kids come from a household where they wouldn't see a meal like that or they actually come to school for a meal and that's what keeps them coming to school and to throw in something extra after school or after dinner is always a bonus."

This initiative is the Junior Dolphins' second annual donation in partnership with Baptist Health. In 2019, the Dolphins collaborated with Baptist Health to surprise six high school football teams with brand new football equipment. To date, this collaborative effort has impacted 18 youth football programs and more than 1,350 student athletes across South Florida.

The Junior Dolphins program encourages youth players and coaches to teach, learn and play football in a fun and safe environment. The Junior Dolphins program is designed to give kids access to learn the fundamentals of football using the NFL's top resources. To grow the game, the Junior Dolphins program will work to educate coaches, parents and youth on the health and safety of football with a strong emphasis on character development. Junior Dolphins is building the next generation of Dolphins Fans.

# MIAMI DOLPHINS IN THE COMMUNITY

## THE MIAMI DOLPHINS COMMIT $75M TO CANCER RESEARCH AT SYLVESTER COMPREHENSIVE CANCER CENTER

The Miami Dolphins are making a transformational gift to improving the lives of those impacted by cancer in South Florida with a $75 million commitment to Sylvester Comprehensive Cancer Center, part of the University of Miami Health System and South Florida's only NCI-designated cancer center. What began as the Dolphins Cycling Challenge in 2010 will now enter its 11th year with a bold, new resolution: a 100 percent year-round promise to support life-saving cancer research. While the mission remains the same, the organization is taking a 'one team, one fight' mentality that will now be known as Dolphins Challenge Cancer (DCC).

"It is an honor to serve my second year as Chair of the Dolphins Cancer Challenge, particularly during this momentous occasion," said Dr. Jacqueline A. Travisano, EVP and COO of the University of Miami. "This announcement is a true testament to the power of our South Florida community coming together to fund cancer research. The fight against cancer is deeply personal to many, including me. It is only through dedicated teamwork, such as the extraordinary partnership between Sylvester Comprehensive Cancer Center and the Miami Dolphins, that we can succeed in ending cancer."

The shift to 'challenge cancer' takes the organization beyond a single event to align closer to Sylvester's mission. As the Dolphins Challenge Cancer, the organization will now become a collective movement providing hope to families and friends, coworkers, and neighbors who have been affected by cancer. The DCC is passionately invested in more than 300 doctors and researchers that work to find the cure for your cancer. Beyond looking for just a cure, the research that Sylvester generates also addresses disparities in care for minority communities supports medically-underserved populations; identifies ways to reduce risks for firefighters and other first responders; and promotes preventative care habits, among its many initiatives.

"At a time when our country is facing economic and medical hardships, the health and well-being of the South Florida community, including those affected by cancer, remains a top area of focus for our community efforts," said Miami Dolphins Vice Chairman and CEO Tom Garfinkel. "We continue to be inspired by the high-level research and patient care at Sylvester Comprehensive Cancer Center and are proud to expand our support."

To date, the DCC's annual event has raised more than $39 million for Sylvester. As a comprehensive annual campaign, the organization will raise funds year-round in addition to its signature cycling event. These funds will be allocated to support more than 300 active clinical trials, survivorship programs; and advance the research of innovative cancer treatments such as immunotherapy.

"Physicians and scientists at Sylvester are more committed than ever to developing new, more effective, and less toxic ways to treat cancer and to prevent it. We just launched an Experimental Therapeutics program which will accelerate our efforts to bring promising discoveries from our laboratories to our patients. This incredible partnership with the Miami Dolphins has supported vitally important research at Sylvester for a decade. We are extremely grateful for this renewed commitment to continue working side by side in pursuit of new cancer cures," said Stephen D. Nimer, M.D., Director of Sylvester Comprehensive Cancer Center.

As part of the DCC's contribution to Sylvester, the University of Miami will be naming the Sylvester Courtyard in the organization's honor. The courtyard will be a tribute to the DCC's supporters past and present and serve as inspiration for future participation. Additionally, the DCC will be recognized at each Sylvester location across South Florida.

"The University of Miami is grateful to the Miami Dolphins Foundation for its renewed commitment to this extraordinary South Florida tradition," said University of Miami President, Julio Frenk. "The DCC has become a beacon of hope in South Florida. Together, we will continue to create a spirit of community around our cherished goal – giving patients the gift of life and freedom from the pain and suffering that comes from fighting cancer."

The DCC will continue to host its marquee event led by its iconic 100-mile ride this spring. On April 10, 2021, DCC XI participants will be able to choose how they engage. That day, they will have the option to ride, run, or walk on the route of their choosing, or in-person at Hard Rock Stadium.

Registration information will become available later this year. Volunteer opportunities will be available. Visit www.DolphinsChallengeCancer.com for more information and to sign up for updates.

# OFFENSE NOTES

## TAGOVAILOA FINISHED SEASON 6-3 AS STARTING QB

Miami selected **QB Tua Tagovailoa** fifth overall in the 2020 NFL draft. He became the highest drafted quarterback the Dolphins have selected since choosing Hall of Fame **QB Bob Griese** with the fourth overall pick in 1967.

Tagovailoa made his first NFL start in Week 8 vs. the L.A. Rams as the Dolphins posted a 28-17 win.

He followed it up with a 34-31 win in Week 9 at Arizona, in which he led the Dolphins to a fourth-quarter come-from-behind win. **He's the first Dolphins rookie to lead a fourth-quarter comeback in one of his first two career starts since QB Chad Henne** did so in his second NFL start in 2009.

Following another win in Week 10 vs. the L.A. Chargers, **Tagovailoa became the first rookie QB in Dolphins history to win each of his first three starts**. He's just the second NFL QB in the Super Bowl era (Philadelphia's **Carson Wentz**) to not throw an interception and win each of his first three starts.

In his fifth start, he passed for 296 yards in a win over Cincinnati, which at the time was the fourth-most passing yards in single-game team history by a rookie. **His first 300-yard performance came in his sixth start, throwing for 316 yards in Week 14 vs. Kansas City.** He also set Dolphins rookie records for completions (28) and pass attempts (48) in that game.

His fifth victory came in Week 15 against New England, when **he became the first Dolphins QB since 2007 (Cleo Lemon) and fifth ever to rush for multiple touchdowns in the same game.** Tagovailoa orchestrated his second career fourth-quarter comeback to secure Miami its first winning season since 2016.

Tagovailoa did not throw an interception in his first five starts. **His 152 consecutive passes without an interception was the third-longest streak in Dolphins history**, regardless of experience.

**He finished the season with the highest completion percentage by a rookie in Dolphins history (64.1).** Tagovailoa was second in Dolphins rookie history in completions (186) and passer rating (87.1).

**WR DeVante Parker** has been one of the NFL's top receivers the past two years.

In his last 24 games (since Week 8, 2019), **Parker is 12th in the NFL with 1,711 receiving yards in that span.**

It was the most passes defended by a Dolphins player in a single season since **CB Patrick Surtain** had 21 in 2000.

## DOLPHINS FINISH 2020 AS ONE OF NFL'S TOP DEFENSES

The Dolphins spent the majority of the 2020 season ranked near the top of several key defensive categories.

The most important category in a football game is points, where **Miami's defense finished sixth in the NFL, allowing 21.1 points per game.**

The Dolphins also ranked in the top half of the league with 41 sacks. **That mark was tied for 10th in the NFL.**

**The Dolphins led the NFL with 29 takeaways.** Miami recorded a takeaway in all 16 games, extending their takeaway streak to 22 consecutive games dating back to 2019. **It's the longest active streak in the NFL and the third-longest streak in Dolphins history.** The last NFL team to have a streak this long was New England's 36-game streak from Oct. 16, 2011 to Nov. 3, 2013.

Miami's third-down defense was the best in the NFL, limiting opponents to just a 31.2 conversion rate. **That mark is the second-best mark in Dolphins history (1999, 28.8 pct.).**

The Dolphins defense accomplished this **despite starting three different rookies at various points this season.**

## OGBAH IS ONE OF THE LEAGUE'S MOST PRODUCTIVE PASS RUSHERS

**DE Emmanuel Ogbah** became one of the league's most productive pass rushers in his first season as a Dolphin. After an injury-shortened 2019 campaign with the Super Bowl champion Kansas City Chiefs, **Ogbah signed with Miami this offseason and led the Dolphins with a career-high nine sacks in 2020.**

He saw a six-game sack streak come to an end in Week 11 at Denver. **The streak was tied for the second-longest in team history behind Hall of Fame LB/DE Jason Taylor's eight-game streak in 2002.** It was tied for the longest streak in the NFL in 2020 with Cleveland **DE Myles Garrett**.

**Ogbah's nine sacks this season were tied for 14th in the NFL.**

His 21 QB hits this year were tied for the 11th-most in the league, while Ogbah's teammate, **DE Shaq Lawson**, was tied for 22nd in the category with 18 QB hits this season.

# DEFENSE NOTES

## THE DOLPHINS PAIR OF EXPERIENCED SAFETIES

Despite having one of the youngest rosters in the NFL, the Dolphins had a pair of experienced defensive backs patrolling the field at safety. Both **S Bobby McCain** and **S Eric Rowe** began their NFL careers as cornerbacks before transitioning to the safety role in 2019.

**McCain has played more games in a Dolphins uniform than anyone on the roster, appearing in 87 career contests with 55 starts.** He was a captain in 2020 for the second year in a row.

Rowe has played in 69 career games with 46 starts, and also has appeared in six playoff games with two starts. **His 11 passes defensed in 2020 were tied for third-most by any safety in the NFL.**

## DAVIS IS ONE OF NFL'S BEST ROOKIE DEFENSIVE LINEMEN

**DT Raekwon Davis** was one of the league's best rookie defensive linemen in 2020, **earning PFWA All-Rookie team honors.** His 40 tackles (19 solo) were **the second-most by any rookie d-lineman in the NFL during the 2020 season** despite primarily playing the nose position.

His 40 tackles were just two behind Washington **DE Chase Young**, who was the second pick in the draft.

## VAN NOY HAS CAREER DAY VS. CINCINNATI

**LB Kyle Van Noy** joined the Dolphins in 2020 as an unrestricted free agent from New England. He served as a team captain and had his best game as a Dolphin in Week 13 against the Bengals.

Van Noy recorded a career-high three sacks in the contest, totaling five tackles for loss. **The three sacks were tied for the third-most by any NFL player in a single game this year**, and the five tackles for loss were the second-highest single-game total in the NFL this season.

Van Noy's 10 tackles for loss this year were second on the team and his six sacks ranked third.

## DOLPHINS DID NOT ALLOW A TOUCHDOWN IN THREE DIFFERENT GAMES IN 2020

Miami posted a 22-12 win in Week 15 vs. New England, with the Patriots getting all 12 points off field goals. **It marked the third different time in 2020 the Dolphins didn't allow a touchdown.**

The New Orleans Saints were the only other team to accomplish that in 2020. **The last time Miami did this in one season was 2011.**

## DOLPHINS RETURN FUMBLES FOR TDs IN BACK-TO-BACK GAMES IN WEEKS 8 AND 9

**DE Emmanuel Ogbah** stripped Rams **QB Jared Goff** of the football in the red zone in the Week 8 win vs. the L.A. Rams, allowing **LB Andrew Van Ginkel** to scoop and score on a 78-yard return. **It was the second-longest fumble return in Dolphins history.**

The following week at Arizona, Ogbah did it again. He strip-sacked Arizona **QB Kyler Murray** and **DE Shaq Lawson** had the honors with a 36-yard fumble return touchdown.

It was the first time since 2017 the Dolphins had defensive touchdowns in back-to-back games and **the first time since 2000 that Miami had consecutive games with fumble returns for TDs.**

## DOLPHINS LIMIT JETS TO THREE POINTS IN TWO GAMES

Miami did something that hadn't been done by an NFL team since 2009, limiting the same opponent to less than three total points in two games in the same season. Miami shut out the Jets in Week 6 and held them to three points in Week 12. **The last time an NFL team did this was in 2009, when Baltimore held the Browns to three total points in two games.**

In the 20-3 win over the Jets in Week 12, **Miami limited the opponent to just 10 first downs, tied for the second-fewest by an NFL team in any game this year.**

## DOLPHINS DEFENSE RATTLES RAMS

In Miami's Week 8 win over the L.A. Rams, the Dolphins defense forced four turnovers in the first half, including a 78-yard fumble return by **LB Andrew Van Ginkel** for a touchdown. **The fumble return was the second-longest in Dolphins history.**

Miami's four first-half turnovers were **its most in a half since the first half of the Dec. 11, 2016 win vs. Arizona.**

## DOLPHINS LIMIT JETS AND 49ERS PASSING ATTACKS TO UNDER 150 YARDS

The Dolphins limited the 49ers to just 128 net passing yards in Week 5, **the fewest allowed by Miami since Dec. 23, 2018 vs. Jacksonville (113).** The following week, Miami held the N.Y. Jets to just 148 net passing yards.

**It marked the first time since 2010 the Dolphins have limited opponents to fewer than 150 net passing yards in consecutive games** (Nov. 14, 2010 vs. Tennessee and Nov. 18, 2010 vs. Chicago).

# SPECIAL TEAMS NOTES

## SANDERS TIES DOLPIHNS POINTS RECORD

**K Jason Sanders tied a team record that has stood since 1999 (Olindo Mare) when he finished the seaosn with 144 points.** The mark was also tied for the most in the NFL in 2020. Sanders got to 144 points by making 36 field goals and 36 extra points. **The 36 field goals made were the second-most in the NFL in 2020 and second-most in Dolphins history.** His 92.3 field goal percentage was the best in single-season team history and helped him earn first-team All-Pro honors.

Sanders' field goals weren't easy, either. **He led the NFL with 20 field goals made from 40+ and was second in the NFL with eight 50+ yarders.**

Sanders had a streak of 10 straight makes from 50+ snapped in Week 15 vs. New England. **He's the only kicker in Dolphins history to make multiple 50+ yard kicks in the same game, doing so twice in 2020 (Weeks 9 and 12).**

Additionally, Sanders was a perfect 36-for-36 on his extra point attempts this season, as well. **He was one of just two NFL kickers to play in all 16 games and not miss an extra point.**

In terms of clutch kicks, **Sanders hit two game-winners in 2020.** He made a 50-yard field goal to give Miami a 34-31 lead with 3:30 left at Arizona in Week 9. Then in Week 16 at Las Vegas, Sanders made a 44-yard field goal with one second left to beat the Raiders, 26-25.

Sanders began the season with a team-record 19 field goals before his first miss. Combined with his three makes at the end of the 2019 season, **Sanders broke a Dolphins record with 22 consecutive field goals:**

**MOST CONSECUTIVE FIELD GOALS IN DOLPHINS HISTORY**

| | NAME | YEAR | CONS. FGs |
|---|---|---|---|
| 1. | **JASON SANDERS** | **2019-20** | **22** |
| 2. | Olindo Mare | 1999 | 19 |
| 3. | Dan Carpenter | 2009 | 17 |
| 4. | Olindo Mare | 2000 | 16 |
| | Garo Yepremian | 1978 | 16 |

He earned AFC Special Teams Player of the Week honors after making five field goals in Week 5 at San Francisco and again in Week 16 after going 4-for-4 with the game-winner at Las Vegas. **Sanders also won AFC Special Teams Player of the Month honors in both October and November.**

**Sanders' 86.5 career field goal percentage (77-of-89) is the best in Dolphins history** (min. 50 att.).

## HAACK HAS BEST NET PUNT AVERAGE IN TEAM HISTORY

**P Matt Haack** just finished his fourth NFL season and was very good at flipping field position. **His 39.9 career net punt average is the best in Dolphins history.**

Haack is also strong at pinning opponents deep inside their own territory. His 26 punts inside the 20 this season **were tied for the sixth-most in the NFL.**

Haack has six career games with **at least five punts inside the 20, including two in 2020.**

## GRANT ONE OF THE LEAGUE'S TOP RETURNERS

**WR Jakeem Grant Sr. is the Dolphins' all-time recordholder with five special teams return touchdowns in his career** – three punt returns and two kickoff returns.

**Grant Sr. set the team's punt return touchdown record with his third after taking a punt back 88 yards for a score in Week 8 vs. the L.A. Rams.** It was the longest punt return touchdown in Dolphins history and was the first punt return touchdown in the NFL this season.

His two career kickoff return touchdowns are tied for second in team annals.

**Grant Sr. has a career kickoff return average of 24.8, which ranks third in team history.** His 2,160 career kickoff return yards are sixth on Miami's all-time charts while his 912 career punt return yards rank fifth.

**His 330 punt return yards this season were second in the NFL** and helped him earn second-team All-Pro honors as a returner.

## VAN GINKEL BLOCKS PUNT IN WEEK 10 VS. CHARGERS

**LB Andrew Van Ginkel** came through the middle of the L.A. Chargers' punt protection and blocked a **P Ty Long** punt on the Chargers' first possession of the game. The blocked kick was recovered by **CB Jamal Perry** at the Chargers' 1-yard line, and **RB Salvon Ahmed** scored on the next play to give Miami an early 7-0 lead.

It was Miami's first blocked punt since Nov. 11, 2018, when **RB Brandon Bolden** blocked one at Green Bay.

# MIAMI DOLPHINS ANNOUNCE TEAM AWARD WINNERS

The Miami Dolphins announced their team award winners for the 2020 season. Cornerback **Xavien Howard** was named the Dan Marino Most Valuable Player, quarterback **Ryan Fitzpatrick** earned the Don Shula Leadership Award, safety **Bobby McCain** was named the team's Ed Block Courage Award winner and the team's **Social Impact Committee** earned the Nat Moore Community Service Award.

Howard is the Dan Marino Team MVP for the second time in his career after also winning the award in 2018. He's the first Dolphins player to win multiple team MVP awards since Ricky Williams in 2009. Williams was also a co-recipient of the award in 2002. Howard is the eighth player and third defender to win the Dan Marino Team MVP award at least twice, joining Bob Griese (1967-68, 1970-71, 1974, 1977), Larry Csonka (1973, 1979), Dan Marino (1983-92, 1994-95), Zach Thomas (1996, 2001), O.J. McDuffie (1997-98), Jason Taylor (2000, 2002, 2004, 2006) and Williams (2002, 2009). Howard tied the franchise record with 10 interceptions, matching Dick Westmoreland's total in 1967. He's the first NFL player since 2007 (Antonio Cromartie) to record double-digit interceptions in a season. This award is voted on by South Florida media and the organization and was re-named the Dan Marino Most Valuable Player Award in 2000 to reflect the achievements of Hall of Fame quarterback and 12-time team MVP Dan Marino.

Fitzpatrick is the winner of the Don Shula Leadership Award, as voted on by his teammates. He also won the award last year and is just the ninth player to earn the honor multiple times since it was established in 1989. Others who have won the award multiple times include Dan Marino (1995, 1997), Zach Thomas (1998-99, 2005), Derrick Rodgers (2000-01), Jason Taylor (2002, 2006-07, 2009), Junior Seau (2003-04), Karlos Dansby (2010-11), Mike Pouncey (2012, 2015) and Cameron Wake (2013-14, 2016-17). Fitzpatrick joins Seau and Dansby as the only players in team history to win the award in each of their first two seasons with the organization. The Don Shula Leadership Award is voted on by the players and is given to the teammate who exhibits leadership on and off the field. It was re-named the Don Shula Leadership Award in 2005 to reflect the accomplishments of the Hall of Fame coach Shula.

McCain is a first-time recipient of the team's Ed Block Courage Award and only the fourth safety to earn the honor in team history joining Yeremiah Bell (2005), Liffort Hobley (1990) and Glenn Blackwood (1988). McCain had his 2019 season cut short after nine games with a shoulder injury. He bounced back in 2020 to play in all 16 games, including 15 starts. McCain totaled 46 tackles (39 solo), one interception and five passes defensed. As one of the defensive captains, McCain helped lead a unit that led the NFL in takeaways (29) and third-down defense (31.2 pct.) while finishing sixth in scoring defense (21.1 ppg). Each year, all 32 teams select a player to receive the Ed Block Courage Award. The recipient symbolizes professionalism, great strength and dedication. The honoree also is a community role model.

The Miami Dolphins Social Impact Committee is this year's winner of the Nat Moore Community Service Award. Members of the committee include cornerback **Byron Jones**, running back **Patrick Laird**, linebacker **Elandon Roberts**, linebacker **Kyle Van Noy** and defensive tackle **Christian Wilkins.** The committee was formed by Dolphins players to positively impact civic engagement, education and economic empowerment. The group donated $100,000 to the Florida Rights Restoration Coalition Fines and Fees program, which assists returning citizens who have outstanding fees to complete their sentences and become eligible to vote. They also provided $300,000 to public schools in Broward, Miami-Dade and Palm Beach counties to bridge the digital divide and assist with wireless technology for underserved students. The Nat Moore Community Service Award is given each year to a Miami Dolphins player recognized for his involvement in the South Florida community. Moore spent 13 seasons in a Dolphins uniform, culminating by his placement on the Dolphins Honor Roll in 1999.

# DOLPHINS RADIO NETWORK

In 2016, the Miami Dolphins announced a multi-year radio broadcast rights partnership with Miami's Sportsradio 560 WQAM, with the station becoming the official English flagship radio partner of the franchise. In addition, all Dolphins games are simulcast on KISS 99.9 FM "South Florida's NEW Country" and feature expanded pre-, halftime and postgame shows. The games also can be heard on Dolphins.com and throughout South and Central Florida on a variety of stations that make up the Miami Dolphins Radio Network.

The Dolphins previously had their games broadcast on Miami's Sportsradio 560 WQAM during the 1997-2004 and 2007-09 seasons.

*From L-R: Joe Rose, Jimmy Cefalo, Jason Taylor and Kim Bokamper*

As part of the agreement, Sportsradio 560 WQAM has the English radio broadcast rights for all preseason, regular season and playoff games. Dolphins fans who tune into Miami's Sportsradio 560 WQAM have the opportunity to listen to live broadcasts of Head Coach Brian Flores's day-after-game press conferences and "Dolphins Friday," a day of Dolphins-centric content on the station featuring interviews with players, coaches and team executives. Additionally, CBS Radio Miami promotes Miami Dolphins Foundation and community initiatives across multiple platforms.

The English radio broadcast team on Sportsradio 560 WQAM consists of former wide receiver Jimmy Cefalo handling the play-by-play duties with former tight end Joe Rose and Hall of Fame defensive end Jason Taylor providing the game analysis. Fellow alumnus Kim Bokamper will join the broadcast team giving perspective on the on-field action and Hall of Fame quarterback Bob Griese will contribute to additional Dolphins platforms, including the pregame broadcast, The Audible and The Fish Tank.

Univision Deportes Radio 1140 AM is the Dolphins official Spanish radio broadcast partner for all preseason, regular season and playoff games, with Roly Martin handling the play-by-play and Eduardo Martell providing the game analysis. ### SCORING SUMMARY

| | 1 | 2 | 3 | 4 | F |
|---|---|---|---|---|---|
| Miami | 0 | 3 | 0 | 8 | 11 |
| New England | 0 | 7 | 7 | 7 | 21 |

An unprecedented offseason in the National Football League was always going to create an element of mystery for the first games of the 2020 season. The Patriots, with a complete style change – going from one former-MVP quarterback to another – decided to run the football 42 times, with 15 of those coming from their new MVP quarterback in Cam Newton.

The two teams felt each other out to the tune of a 7-3 halftime score in favor of the home side.

A dominant Patriots third quarter was threatening to turn the game into a run-away, but a potential turning point occurred when Jerome Baker's effort saved a touchdown. Not only did the linebacker keep points off the board, he created Miami's first turnover of the season. Patriots receiver N'Keal Harry was one yard away from making it 20-3 (point after pending), all but putting a vice grip on the game's result. But Baker chased the second-year receiver down from behind and forced a fumble out of the end zone, giving Miami the ball after a touchback.

The Dolphins answered with an 80-yard drive that was capped off by a one-yard Jordan Howard touchdown run. It was the Dolphins' third consecutive run, finished off behind a sixth offensive lineman with two tight ends and a fullback in Miami's heavy personnel.

New England answered right back with a lengthy drive of their own, converting a fourth-and-1 play from the Dolphins 5-yard line. The Patriots would finish the drive on the following play as Newton (who had two rushing touchdowns earlier in the game) shared the wealth this time as running back Sony Michel plunged into the end zone from one yard out.

The New England defense was the story of the day. After leading the NFL in interceptions (25) and passer-rating-against (63.7) in 2019, the Patriots picked up where they left off. New England intercepted quarterback Ryan Fitzpatrick three times and held him to a rating of 44.6. The Patriots run defense also bowed up limiting Miami to 3.22 yards per rush.

New England ran 63 plays to Miami's 58. The third quarter saw a significant disparity as the Patriots ran 21 plays to Miami's six, limiting the work of some promising performances.

A day of 90-degree temperatures, rain and a weather delay set the scene for the first Bills-Dolphins showdown of the 2020 season. Despite the ominous clouds, Josh Allen and the Bills offense were able to find an early rhythm.

In the first half, the Bills offense put together scoring drives of 97, 84 and 73 yards sprinting out to a 17-7 lead. Buffalo's dual-threat quarterback piled up 249 passing yards and two touchdowns in the first half to go with 20 rushing yards.

Dolphins cornerback Byron Jones left the game after the first possession of the game with a groin injury and would not return.

With only 29 seconds to play before halftime, Myles Gaskin took a handoff from the Dolphins' own 25-yard line with just one timeout. After a 14-yard gain, the Dolphins used their final timeout before Ryan Fitzpatrick found Mike Gesicki for 27 yards, setting up Jason Sanders for a 52-yard field goal.

The push just before halftime got Miami within one score, 17-10, and possession of the ball coming out of the break.

Shortly after the start of the third quarter, a 36-minute weather delay sent both teams back to their locker rooms.

The delay seemed to help the Dolphins as the defense tightened up on the first two possessions of the second half and the offense continued its resurgence.

Fitzpatrick's ability to play amid chaos and to throw the ball around the pass rush led to lengthy drives in the second half. Miami put together drives of 48, 85, 44 and 75 after halftime.

The Dolphins would start the second half the same way they ended the first, with a field goal. That cut the Buffalo lead to 17-13.

The defense forced a Buffalo punt after just five plays. Miami then drove the ball to the 1-yard line, courtesy of a one-handed catch by Gesicki and a shifty run by Matt Breida. Back-to-back runs produced no gain, followed by a pair of incompletions that led to a turnover on downs.

## MIAMI 31 | JACKSONVILLE 13

### SCORING SUMMARY

Ryan Fitzpatrick hit his final nine passes in the Week 2 game vs. Buffalo and picked up right where he left off on Thursday Night Football. Completing his first 12 passes of the game, Fitzpatrick threw for 127 first half yards and a pair of touchdowns. His first-half passer rating was 144.0, the fifth-highest in the first half of his career.

Coming into the night, three of Fitzpatrick's last four TNF games produced a passer rating of 105 or better – make it four out of five games over a 105 rating for the 16-year veteran.

The offense as a whole started to get hot in Week 2, but the Dolphins emphatically broke through in prime time. Miami's first three drives of the game traveled 84, 80 and 75 yards. It was the second time since at least 2000 that the Dolphins scored touchdowns on the first three drives of the game (Nov. 20, 2011 vs. Buffalo the other).

Fitzpatrick was making it happen in all facets of the game. He was throwing from traditional drop backs and he was making plays rolling out of the pocket – both with his arms and his legs. On the rare occasion that there was pressure on the Miami quarterback, he'd drift back, buy some extra time, drop the arm angle and find a receiver. He finished the night 18-of-20 for 160 yards and three total touchdowns (one rushing).

The passing game got going after the Dolphins established the tone early with a physical running game. Running behind an offensive line featuring four new starters in 2020, Myles Gaskin carried the ball eight times for 35 yards on the opening march. Fitzpatrick put the bookend score on the board with a quarterback keeper running behind center Ted Karras, who scored a pancake block into the end zone to give Miami a commanding 28-7 third-quarter lead.

Miami's 91 rushing yards in the first half were the most in a first half since the 2018 win at home against New England (142 rushing yards in that game).

## SEATTLE 31 | MIAMI 23

### SCORING SUMMARY

| Miami | 3 | 6 | 3 | 11 | 23 |

Jason Sanders connected on five field goals to extend his streak to nine consecutive makes to open the 2020 season. Unfortunately, for Miami, field goals were not enough to beat Russell Wilson and the explosive Seattle offense.

Quarterback Ryan Fitzpatrick completed 29-of-45 passes (64.4 pct.) for 315 yards. It was his second 300-yard game of the season.

However, the offense struggled in the red zone and wasn't able to catch Seattle's 31-point total.

Seattle opened the scoring just five minutes into the game after a Ryan Fitzpatrick pass was tipped and intercepted on Miami's first series. Wide receiver D.K. Metcalf caught a 37-yard pass from Wilson to set up the touchdown, but the Dolphins would battle back.

Four Dolphins players were injured but returned to the game in safety Bobby McCain, defensive end Shaq Lawson, left tackle Austin Jackson and wide receiver DeVante Parker. Parker's first series back in the game produced back-to-back catches – with a pair of broken tackles – for 27 yards. Parker finished the game with 10 receptions and 110 yards, his first 100-yard game of the season.

Sanders would connect on one of his five field goals leaving the Seahawks offense with only 29 seconds to operate before halftime.

Two plays after Seattle took possession, Wilson found David Moore down the sideline for a 57-yard pass completion. Seattle would score on a Wilson pass to running back Travis Homer two plays later to extend the halftime lead to 17-9.

Receiving the second-half kickoff, Seattle threatened to take a two-score lead a first-and-goal from the 6-yard line. Two plays later, Dolphins cornerback Xavien Howard undercut a slant by Metcalf and intercepted the pass in the end zone – his second in as many weeks.

Fitzpatrick and the Dolphins put together another long drive covering 55 yards, but would again settle for a field goal. The defense continued its strong start to the half forcing a three-and-out courtesy of a Shaq Lawson sack. Lawson chased Wilson down in the backfield and was able to get the diminutive quarterback to the ground.

The sack was the first for Lawson as a Dolphin, while fellow offseason addition at defensive end, Emmanuel Ogbah, picked up his second of the season on a fourth-down play in the second quarter. Ogbah made four additional tackles including one for a loss on the play prior to the Lawson sack.

## MIAMI 43 | SAN FRANCISCO 17

### SCORING SUMMARY

| San Francisco | 0 | 7 | 10 | 0 | 17 |

Ryan Fitzpatrick and the Miami aerial assault outdid itself with an impressive display over the previous season's NFC Champion San Francisco 49ers.

Fitzpatrick finished with a 154.5 rating in the game and led the Dolphins offense to 30 first-half points – the second-most since at least 2000 (October 25, 2015 vs. Houston). The Dolphins scored on six of their seven possessions in the first half. Miami finished with 43 points, the most since that same win over Houston. It was the most points Miami scored in a road game since Sept. 21, 1986 when the Dolphins lost in overtime, 45-51 to the N.Y. Jets.

The Dolphins ran 33 plays in the first half and gained 281 yards, an average of 8.5 yards per play. They outgained San Francisco by a 281-140 margin in that first half. The Dolphins had three scoring drives in the first half that ended at the 2-minute warning or later as Jason Sanders booted field goals with 2:00, 0:38 and 0:00 remaining. It's the first time since at least 1991 the Dolphins have had three scoring drives in the final two minutes of a half.

Coming into the game, Miami's longest offensive play measured 27 yards. Sunday, the Dolphins offense topped that high-water mark five different times.

Complementary football is the quickest route to victory and the Dolphins defense and special teams matched Miami's offensive explosion. In the opening 30 minutes, Miami got interceptions from safety Bobby McCain and cornerback Xavien Howard, and sacks from defensive tackle Zach Sieler and linebackers Andrew Van Ginkel (forced fumble) and Elandon Roberts. Jerome Baker picked up a second-half sack and Emmanuel Ogbah closed it out with a strip sack, recovered by Christian Wilkins.

Fitzpatrick was 5-for-6 with 199 yards and two touchdowns on passes that traveled 20 or more yards in the game.

The special teams units chipped in with five Jason Sanders field goals – who remains perfect on the season with 14 successful kicks. Dating back to the previous week's game against Seattle, Sanders had consecutive games hitting five field goals without a miss.

The Dolphins defense was dominant in Miami's 24-0 win over the Jets. The shutout effort – the franchise's first since 2014 – allowed just 3.8 yards per play and tallied 15 stops on 17 third down attempts by the Jets offense.

The theme in Miami's victories in 2020 continued to be the fast start. In each of their three wins, the Dolphins raced out to a 14-0 lead, and extended the halftime lead to 21-0 behind a sterling defensive effort. The double-digit point differential was the third time Miami won by at least 10 points this season. The last time the Dolphins won at least three games by 10 or more points in the same was the same as the last shutout in 2014.

The Jets possessed the ball eight times in the first half totaling 32 plays, 93 yards and just five first downs. Miami was a perfect 8-for-8 getting off the field on third down and limited the Jets to just 2.8 yards per play in the opening half. Cornerback Xavien Howard generated the lone takeaway of the game for Miami with his fourth interception of the season – tied for the most in the NFL with Washington's Kendall Fuller.

Howard, over the last four seasons, is the NFL's premier ball hawk. The interception gave him 16 since December of 2017 despite playing in 28 of the possible 43 games. It's the most in the league in that span.

Defensive tackle Christian Wilkins tallied a sack in the first half with some help from linebacker Sam Eguavoen. The pair teamed up on a stunt to get the Jets quarterback to the ground. Emmanuel Ogbah joined in on the fun by ending the Jets opening drive of the third quarter with his fourth sack of the season. He ended another Jets drive with a sack in the fourth quarter that created a massive loss of 28 yards.

Ogbah has a full sack in each of the last three games and at least a half sack in the last five games.

The Dolphins offense found success early by turning to second-year running back Myles Gaskin. Miami opened the scoring with an eight-play, 64-yard drive that featured four rushes for 40 yards (three for 35 from Gaskin). The second-year back chipped in with a pair of receptions (one of which he pinned to the side of his helmet with one hand) for an additional 12 yards. Gaskin piled up 84 scrimmage yards in the first half and finished the day with 126 yards from scrimmage.

The first scoring drive was capped off with a Ryan Fitzpatrick pass to a wide open Adam Shaheen; he came open on a play that looked similar to the touchdown to open the 49ers game. Shaheen later set up his positional counterpart, Durham Smythe, for Miami's third touchdown of the game with a 43-yard reception running free down the middle of the field. Smythe capped the drive on a play similar to the one in which Shaheen concluded the first drive on – running parallel to the goal line and hauling in a perfect throw from Fitzpatrick near the pylon in the front right corner of the end zone.

In a 7-7 tie early in the second quarter, the Rams took possession of the football at the Dolphins 7-yard-line. Then, a wave of big plays and unrelenting pressure propelled Miami to 21 unanswered points and a third consecutive win.

The cavalcade of scoring began when defensive end Emmanuel Ogbah came clean, getting to Jared Goff as the quarterback reached back to throw, and picked up his sixth sack of the season. The ball popped free simultaneously as linebacker Andrew Van Ginkel arrived to scoop it up and take it back 78 yards for a Dolphins touchdown.

It was the second takeaway of the day for Miami, but not the last. Before the Dolphins defense dipped back into the turnover well, a three-and-out preceded a record-breaking run back by the Miami punt return team.

Jakeem Grant fielded the punt at his own 12-yard-line and angled to the right before finding a glimmer of daylight. He slipped through an arm tackle and was off to the races. The fifth special teams return touchdown in Grant's career extended his own franchise record and gave him a new Dolphins record with three punt return touchdowns. Earlier in the game, his 47-yard kickoff return helped him move into sixth place in Dolphins history in kickoff return yardage.

The 88-yard punt return for a touchdown was the longest in Dolphins history. The previous record was 87 yards by Tom Vigorito (Sept. 10, 1981 vs. Pittsburgh) and Ted Ginn Jr. (Nov. 18, 2007 at Philadelphia).

The Miami scoring started after the first takeaway of the game. Defensive tackle Christian Wilkins faked a pass rush, fell into the underneath zone and secured the first interception of his career.

Six plays later, rookie quarterback Tua Tagovailoa threw the first touchdown pass of his career. The Rams brought a blitz on third-and-goal and the southpaw threw a strike to the chest of DeVante Parker, who made the catch despite a Rams defender hanging on his back (defensive pass interference was called but declined).

The win marked the first time the Dolphins scored touchdowns on offense, defense and a special teams return in a game since a 2009 win at the New York Jets. It was the first time the Dolphins have ever done all three in the first half.

## WEEK 9

NOV. 8, 2020 | GLENDALE, ARIZ.

## MIAMI 34 | ARIZONA 31

### SCORING SUMMARY

| | 1 | 2 | 3 | 4 | F |

| Miami | 14 | 10 | 0 | 10 | 34 |
| Arizona | 7 | 10 | 14 | 0 | 31 |

Playing from behind for the first time since Week 4, and the first time in rookie quarterback Tua Tagovailoa's career, the Dolphins offense responded with an 11-play, 93 yard drive. On the game-tying march, the second-time starter dazzled.

Tagovailoa completed all five of his passes including a third-and-9 conversion backed up on the Miami 8-yard-line. The Miami quarterback faced a third down and a free rusher just three plays later. He made the Arizona blitzer miss and picked up six yards with his legs. Then he hit wide receiver Mack Hollins for an 11-yard score to tie the game at 31.

Last week, Miami's defense created four first-half turnovers leading to 21 points.

The story was the same at the start of this game this week as once again, defensive end Emmanuel Ogbah coming clean on the quarterback and punching the football out. This time, it was Shaq Lawson – the defensive end on the other side of the formation – who scooped it up and took it all the way home.

The defense bookended its performance on the Cardinals penultimate drive. With the game tied at 31 apiece in the fourth quarter, Arizona attempted to convert a fourth-down play for the third time in the game (2-for-2 previously). Defensive tackle Zach Sieler saw Cardinals running back Chase Edmonds coming for his gap and the 6-foot-6, 297-pound monster along Miami's line shed his block. Once free, Sieler teamed up with linebacker Elandon Roberts to get the explosive Cardinals offense off the field.

On the very next play, Tagovailoa found tight end Mike Gesicki for 19 yards to push Miami closer into field goal range.

Kicker Jason Sanders finished the drive with a 50-yard field goal, which proved to be the game-winner. The kick was also notable for Sanders on an individual note. It was his 20th consecutive made field goal, dating back to last season, the most in franchise history.

## L.A. CHARGERS 21 | MIAMI 29

### SCORING SUMMARY

| | 1 | 2 | 3 | 4 | F |
|---|---|---|---|---|---|
| L.A. Chargers | 0 | 7 | 7 | 7 | 21 |
| Miami | 14 | 3 | 3 | 9 | 29 |

The Dolphins have been dominant in the first halves of football games this season, particularly on the current winning streak. Miami extended the streak to five games with a 29-21 win over the Los Angeles Chargers Sunday at Hard Rock Stadium.

Miami raced out to a 14-0 first quarter lead before taking a 17-7 advantage to the locker room. The Dolphins are now plus-74 in point differential in the opening halves of games – the best in the National Football League. The scoring got started with, yet again, complementary football. The Miami defense forced a Los Angeles three-and-out thanks to a sack from cornerback Nik Needham, which sent Special Teams Coordinator Danny Crossman's punt return onto the field.

A late shift at the snap opened up linebacker Andrew Van Ginkel for a free run at the Los Angeles punter Ty Long, and he did not miss his opportunity.

Van Ginkel laid out and rejected Long's kick. Cornerback Jamal Perry fell on it setting the Dolphins offense up at the 1-yard-line. Rookie offensive guard Solomon Kindley aligned in I-formation in front of running back Salvon Ahmed and led his fellow rookie teammate into the end zone to give the Dolphins a quick lead.

After another defensive stop, the Dolphins put together their best offensive drive of the game. Miami went on a march that covered 13 plays, 88 yards and took 7:04 off the game clock. It started with a rolling, 23-yard rip from quarterback Tua Tagovailoa to tight end Mike Gesicki and finished with a 3-yard dart to wide receiver Jakeem Grant.

Kicker Jason Sanders connected from 50 yards in the second quarter and 35 yards in the third quarter to give him 19 straight field goals to open the season and 22 consecutive field goals dating back to 2019, extending his own franchise record. The streak would come to an end, however, as Sanders missed a 47-yard field goal in the fourth quarter. He started a new streak with a successful 49-yard field goal with four minutes left in the game.

After the Chargers cut the lead to six and got the ball back, cornerback Xavien Howard made an impactful play early in the fourth quarter. The NFL's leader in interceptions since December of 2017 stepped in front of the Herbert pass and brought it back to the Chargers 35-yard-line. It was his fifth pick of the season.

The interception helped the Miami offense discover it's rhythm again. Tagovailoa found Durham Smythe on a beautifully designed throwback for his second touchdown pass of the day, giving the Dolphins a 26-14 fourth-quarter lead.

# 2020 GAME RECAPS

## WEEK 11

NOV. 22, 2020 | DENVER, COLO.
EMPOWER FIELD AT MILE HIGH
ATTENDANCE: 5,351 | TV: CBS

**MIAMI 13** | **DENVER 20**

### SCORING SUMMARY

| | 1 | 2 | 3 | 4 | F |
|---|---|---|---|---|---|
| Miami | 7 | 3 | 0 | 3 | 13 |
| Denver | 7 | 6 | 7 | 0 | 20 |

For the first time since Week 4, the Dolphins came up on the short end with a 20-13 loss to the Broncos. Denver ran for 189 yards and sacked Dolphins quarterbacks six times to snap Miami's five-game winning streak.

The Dolphins mounted a furious rally in the fourth quarter sparked by yet another huge play by linebacker Andrew Van Ginkel. As Broncos running back Melvin Gordon surged towards the end zone in search of his third touchdown, Van Ginkel – amid four Dolphins defenders in relentless pursuit – punched the ball free just short of the goal line. Safety Eric Rowe recovered the ball and the Dolphins were 99 yards away from a game-tying score.

Quarterback Ryan Fitzpatrick replaced Tua Tagovailoa on the previous possession and drove Miami deep into Denver territory with just under 90 seconds left to play. But an interception by Justin Simmons in the end zone put an end to the comeback bid as the Dolphins fell to 6-4 on the 2020 season.

The game started with an Xavien Howard interception, as he stepped in front of a Drew Lock pass on the third play from scrimmage for his sixth pick of the season. The Dolphins would finish the ensuing drive with a 3-yard pass from Tagovailoa to wide receiver DeVante Parker, helping Miami race out to a 7-0 lead less than five minutes into the game.

Denver quickly gained control with a swarming pass rush and dominant ground game. After back-to-back false starts pushed the Broncos into a second-and-20, they converted and finished off an 11-play drive powered by 47 yards on the ground, including a 14-yard run by quarterback Drew Lock on third-and-13.

The two teams exchanged second-quarter field goals to set the Broncos up with a two-minute opportunity, but that didn't change their offensive approach. A 25-yard run by Melvin Gordon got the drive started and a 7-yard run set up kicker Brandon McManus to give Denver a three-point halftime lead.

Miami's defense showed its teeth coming out of the locker room with a stand on fourth-and-1 backed up to their own 14-yard-line. Defensive tackle Raekwon Davis provided the initial surge before the calvary arrived to shut down the Gordon run. Linebacker Elandon Roberts was credited with the tackle amid a flurry of Dolphins defenders.

Another Broncos sack led to a quick three-and-out putting the Dolphins defense back on the field.

The Broncos went back to what was working with 35 rushing yards, including a 20-yard Gordon touchdown gallop, to open up a two score lead. Trailing by 10, the Dolphins drove the ensuing possession into Broncos territory, but an offensive hold and another sack forced Matt Haack onto the field for his sixth punt.

### SCORING SUMMARY

Miami renewed its oldest AFC East rivalry with a season sweep of the New York Jets and the eighth victory in its past 10 games against them.

With another suffocating defensive performance, the Dolphins finished the month of November 4-1, moving to 7-4 going into the final stretch of the season.

The Dolphins improved upon their league-best +81 point first half differential with a dominant effort on defense, including not allowing a point in the final three quarters of the game.

The Jets kicked a field goal on the opening drive before the Miami defense responded with two interceptions, six forced punts (three possessions resulting in a three-and-out) and a missed field goal. A consistent surge from the defensive line, paired with the return of Christian Wilkins, helped limit the Jets ground game to just 87 yards. Of the Jets' 23 running plays, 15 of them gained three yards or less.

The Dolphins defense held on for back-to-back series in which the Jets started in plus-territory after turnovers – first, a three-and-out; then a turnover on downs spearheaded by a tackle for loss by linebacker Elandon Roberts.

### SCORING DRIVES

In addition to the run-down wins, Miami sacked Jets quarterback Sam Darnold three times (a full sack for safety Brandon Jones and a half of a sack each for linebackers Jerome Baker, Kyle Van Noy, Roberts and defensive tackle Raekwon Davis). Cornerback Nik Needham intercepted his first pass of the year and the third of his young career.

Xavien Howard snagged his league-leading seventh interception. He tied his career high (2018), and joins Sam Madison (eight interceptions in 1998 and seven in 1999) as the only cornerbacks in Dolphins history to have two seasons with seven-plus interceptions.

Offensively, Miami moved the ball into Jets territory early on. Two drives in the first half stalled on the fringe of field goal range for most kickers, but not for the right leg of Jason Sanders.

Sanders stroked a pair of kicks down the middle from 54 and 51 yards in the opening half, giving him 10 consecutive field goals of 50-or-more yards. Sanders' eight successful field goals from 50-plus yards this season are most in the NFL. His 85.7 career field goal percentage on attempts of that distance is the best in the NFL since at least 1991.

Fitzpatrick found nine different targets for 257 passing yards with the greatest contribution coming from wide receiver DeVante Parker. Parker caught back-shoulder throws, diving slants, and broke a couple of big runs after the catch en route to 119 receiving yards, a season-high.

Sunday's performance marked the 10th time in Parker's career that he eclipsed the century mark and the second time this season.

The Jets scored a combined seven points in the season series twice against Miami (1975 and 1976). This season, New York scored a combined three points in the two games. That covers 25 possessions, an average of 0.12 points per possession. It was the second-lowest scoring output by an AFC East opponent against the Dolphins in a single season as Miami held Baltimore scoreless in both 1972 meetings.

### SCORING SUMMARY

|---|---|---|---|---|---|
| Cincinnati | 7 | 0 | 0 | 0 | 7 |
| Miami | 0 | 6 | 10 | 3 | 19 |

The Dolphins have typically jumped out to an early lead, played efficiently on the attack and smothered the opposing offense with pressure and takeaways to win games. However, that script changed against Cincinnati as Miami won 19-7 after falling behind early.

As the Bengals searched to extend their 7-3 lead at the end of the first half, a Miami defensive stand resulted in a missed Bengals field goal. Quarterback Tua Tagovailoa drove the offense into the range of kicker Jason Sanders, who split the uprights from 48 yards for his 25th field goal this season, cutting the Cincinnati lead to a one-point advantage.

The Dolphins took that momentum and stormed out of the gates in the second half. After a first quarter, 72-yard touchdown to Tyler Boyd, the Miami defense didn't surrender another point. Through 12 games, the Dolphins have allowed just 212 points, 17.7 points per game (second-fewest in the NFL).

Linebacker Kyle Van Noy picked up the fifth multi-sack game of his career and his first with Miami, totaling a career-high three sacks. All three of them came on third down and led to three of the Bengals' seven punts on the day. In total, the Miami defense forced four three-and-outs, two interceptions and a missed field goal.

With a more explosive and efficient offensive attack, Miami ripped off the final 19 points in the game to get to 8-4 – the best mark through 12 games for the franchise since 2003.

Trailing at halftime, the Dolphins came out of the locker room with an eight-play, 75-yard touchdown drive that took 3:25 of game time off the clock. Tagovailoa completed five of six passes for 76 yards and the touchdown to Mike Gesicki to take a 13-7 lead, one Miami would not relinquish.

Miami's big second half was sparked by Gesicki, who caught a career-high nine passes for 88 yards and a touchdown. He made the highlight-reel play of the day when he stretched out – shades of former Dolphins wide receiver Oronde Gadsden in 2002 – for a one-handed stab. Gesicki capped the drive with the 5-yard touchdown that brought Miami out in front 13-7.

Cornerback Nik Needham was Johnny-on-the-spot for Miami's second interception, his second in as many weeks. Lawson dumped the quarterback twice for his first multi-sack game as a member of the Miami Dolphins (third of his career) and Sieler made it six in the game (2.5 sacks for Sieler this season).

The performance gives the Miami defense 10 combined points allowed in their past two games. That is the fewest allowed by the Dolphins in consecutive games since the team also allowed 10 combined points in the 2002 season.

Xavien Howard's first quarter interception made it 18 consecutive games with a takeaway by the Miami defense, the longest active streak in the NFL..

The Dolphins were up for the challenge of the defending Super Bowl champions early and late; but as he so often does, Kansas City quarterback Patrick Mahomes found a rhythm for a period of the game that put the comeback just out of reach.

The Dolphins fell to 8-5 with a 33-27 loss to the defending Super Bowl champion Chiefs Sunday at Hard Rock Stadium. After a pair of Dolphins sacks and interceptions of the 2018 league MVP in the first quarter, Kansas City put together scoring drives on four of their next five possessions, including a 67-yard punt return touchdown by wide receiver Mecole Hardman.

After the Chiefs racked up 30 straight points to wipe out Miami's 10-0 start, quarterback Tua Tagovailoa led the offense to back-to-back touchdown drives to make it a one-score game late in the fourth quarter.

The defense forced a fourth-and-1 attempt for the Chiefs with 2:30 to play, but Mahomes went back to wide receiver Tyreek Hill to diminish the Dolphins' hopes.

Early, the Dolphins defense forced a pair of interceptions on tipped passes. Cornerback Byron Jones secured his first interception as a member of the Miami Dolphins and safety Eric Rowe secured his second of the season when he caught the deflection of a high pass from Mahomes. Jones later forced a fumble that was covered up by linebacker Kamu Grugier-Hill.

The Dolphins would add a fourth takeaway courtesy of cornerback Xavien Howard's ninth interception of the season. With the Chiefs driving and looking to build on a 20-point lead, Mahomes was in search of another long touchdown pass in the direction of Hill. Howard extended with one arm and pulled down the 21st interception of his career.

The four takeaways extend Miami's streak to 19 consecutive games creating a turnover, the longest active streak in the NFL.

After his second interception, Mahomes went to work. During Kansas City's stretch of 30-straight points, he was 11/15 with 168 yards and two touchdown passes. The Dolphins defense allowed just three points on the Chiefs' final three possessions to give the offense an opportunity to get back into the game.

The Dolphins defeated the Patriots 22-12, giving the home team six wins in their last eight games against their rival at Hard Rock Stadium. As a result, Miami clinched a winning record for the 31st time in franchise history and first since 2016.

After a first half where very little went right for Miami, the Dolphins came out of the locker room looking to make a statement. Without tight end Mike Gesicki and wide receivers DeVante Parker and Jakeem Grant, the Dolphins went to the ground game. In the second half, a rushing surge helped produce three touchdowns in four second-half possessions (not including a fifth possession to run out the clock).

Trailing near the end of the third quarter, quarterback Tua Tagovailoa punctuated a lengthy Dolphins possession that covered 90 yards on 14 plays with a scramble touchdown run. On third-and-goal from the 3-yard line, Tagovailoa escaped pressure and extended the ball over the goal line to put Miami in front 15-9 (Miami converted a two-point conversion on a hook-and-lateral from Tagovailoa to Isaiah Ford and the pitch to Salvon Ahmed).

Tagovailoa, who added his second rushing touchdown of the contest on a game-clinching QB sneak late in the fourth, became the first Dolphins quarterback since 2007 (Cleo Lemon) to rush for two scores in the same game. He was one of six Dolphins to carry the football as the offense had its most successful rushing day of the season.

Rookie running back Ahmed hit career and season highs in several categories. His 31-yard run in the third quarter was the longest by a Dolphins back this season and his 122 yards marked the first time a Dolphin eclipsed the century mark on the ground since 2018.

Matt Breida also had a personal season-high with 86 yards. Patrick Laird added 20 yards on the ground, including a critical 12-yard gallop to extend a Miami drive. On third-and-8 from the New England 34-yard-line late in the third quarter, Laird took a shotgun snap up the middle to keep the Dolphins offense on the field.

The Dolphins ran for a season-high 250 yards in the victory, nearly doubling the previous high of 131 in the Week 3 win over Jacksonville. It was the team's most in a game since Dec. 24, 2016 at Buffalo (261).

Trailing 6-0 after the intermission, Miami marched 72 yards on the opening drive of the third quarter for a go-ahead touchdown. The drive was capped by a one-yard plunge from Ahmed.

Just two plays from scrimmage later, Miami extended its streak of consecutive games with a takeaway to 20 straight, the NFL's longest active streak.

Cornerback Xavien Howard forced it free with linebacker Elandon Roberts falling on the ball to set the Dolphins up in Patriots territory. For Howard, it's his first forced fumble of the season to go along with his league-leading nine interceptions.

Ryan Fitzpatrick helped revive the hearts of Dolphins fans everywhere. Trailing 16-13 with just over nine minutes to play, Head Coach Brian Flores went to the 16-year NFL vet in hopes of sparking the offense. Fitzpatrick delivered with three fourth-quarter scoring drives, including the one that ultimately won the game, trailing by two points with 19 seconds left.

Fitzpatrick threw for 182 yards and engineered three scoring drives to get the Dolphins back in the win column and one victory away from a postseason berth. None of Fitzpatrick's nine completions were more improbable than the pass that set up Jason Sanders to connect from 45 yards and catapult the Dolphins into the winner's circle.

With just 19 seconds and no timeouts remaining at Miami's own 25-yard line, Fitzpatrick heaved a 34-yard pass to wide receiver Mack Hollins, who was standing all alone near the Raiders' sideline. Hollins secured the catch while a roughing the passer call pushed the Dolphins to the 26-yard-line of Las Vegas.

The magic was made possible by another stellar effort from the NFL's top-ranked scoring defense. The Raiders scored just once on five red zone trips and did not convert a single third down in the game (0-for-10).

After holding down the fort for the first 56 minutes of the game, Raiders wide receiver Nelson Agholor got behind the Miami defense for an 85-yard touchdown from quarterback Derek Carr with 3:37 remaining. Kicker Daniel Carlson left the door open by missing the ensuing extra point, keeping Las Vegas' lead to just 22-16.

The Dolphins took the ensuing possession with 3:27 left in the game and drove 75 yards, with a successful Jason Sanders point after to take a 23-22 lead. The touchdown came courtesy of a 59-yard catch-and-run by running back Myles Gaskin, who made an emphatic return to the lineup.

Gaskin, after spending the previous two games out of action on the reserve/COVID-19 list, returned to his usual position as the team's bell cow. Last week, it was his college teammate (Salvon Ahmed) who led the Dolphins with 122 of the team's 250 rushing yards in the win over the Patriots. Gaskin helped continue the theme of former Washington Huskies leading a second-half offensive surge as he piled up 169 yards from scrimmage and a pair of receiving touchdowns.

## MIAMI 26 | BUFFALO 56

### SCORING SUMMARY

|---|---|---|---|---|---|
| Miami | 3 | 3 | 7 | 13 | 26 |
| Buffalo | 0 | 28 | 7 | 21 | 56 |

The red-hot Buffalo Bills offense stayed true to form with a 28-point explosion in the second quarter as the Dolphins finished the season with 10 wins after a 56-26 loss in the finale in Buffalo.

Buffalo scored on three straight offensive possessions in the second quarter with a pair of Josh Allen passes going to wide receiver Isaiah McKenzie. McKenzie added an 84-yard punt return to widen the gap to 28-6 by the halftime break.

Miami received the second-half kickoff and drove 75 yards in under four minutes, capping it off with their first touchdown of the game, a 1-yard plunge by running back Myles Gaskin. Quarterback Tua Tagovailoa went to wide receiver DeVante Parker early and often with completions of 13, 16, 25 and six yards on the scoring march. Unfortunately, it was too little too late for Miami.

Parker finished the day with 116 receiving yards, his third 100-yard game of the season. Gaskin followed up his career-game last week with 83 yards from scrimmage, giving him 259 over the final two games of the season.

The positive momentum continued as Miami forced a Bills punt on the following possession, but then a receiver slipped on Miami's next drive, giving Bills cornerback Josh Norman an interception return for a touchdown to extend the Buffalo lead to 35-13.

Before Buffalo found its rhythm, Miami started the game in familiar fashion. For the 12th consecutive game, the opposition failed to score on their opening possession as Miami simultaneously extended their league-best takeaway streak with a Byron Jones interception.

It was Jones' second interception of the season and extended the Dolphins' streak to 22 consecutive games with a takeaway, dating back to last season. It's the longest active streak in the NFL and tied for the third-longest in team history.

Two quarters later, Jones' counterpart, Xavien Howard, made history.

Howard's third-quarter interception gave him 10 on the season, tying Dick Westmoreland (1967) for the most in franchise history. Howard became the first NFL player with double-digit interceptions since Antonio Cromartie of the San Diego Chargers intercepted 10 passes in 2007.

# STEPHEN ROSS

**CHAIRMAN OF THE BOARD / MANAGING GENERAL PARTNER**
**COLLEGE: MICHIGAN**
**NFL: 13TH SEASON**
**DOLPHINS: 13TH SEASON**

Stephen M. Ross, Chairman and Founder of international real estate firm, Related Companies, first invested in the Miami Dolphins in February 2008, and in 2009, assumed the responsibilities of managing general partner of both the Miami Dolphins and Hard Rock Stadium. The role is the culmination of one of his long-held dreams -- Ross grew up in South Florida and the Dolphins have been a lifetime passion for him.

Throughout the Dolphins organization, Ross' ethos of building a first-class team on and off the field is etched deep. His $730 million investment in Hard Rock Stadium and its surrounding properties has transformed the iconic venue into a global entertainment destination that showcases the best Miami has to offer. From world-class fare to arts, culture and luxury hospitality, Hard Rock Stadium now delivers an elevated guest experience that is unparalleled in professional sports. As a result of the privately-funded renovation, Hard Rock Stadium attracted and secured Super Bowl LIV – which coincided with the 100th season of the NFL – the 2021 College Football Playoff National Championship, major concerts, international soccer matches and a host of world-class events. On the football side, Ross has demonstrated a steadfast commitment to provide coaches, support staff and players the necessary resources to build a winning team that will compete consistently for championships. He has invested in improving the team's current practice facility and has committed significant resources in a new state-of-the-art training complex that broke ground in 2019. In 2019, Hard Rock Stadium committed to phase out 99.4% of fan facing single-use plastics in the food and beverage operation. This eliminated more than 2.8 million plastic items including cups, bottles, cutlery, stirrers and spoons and all plastic disposable packaging that accompanies these items.

Ross, as a sports entrepreneur, is known for his attention to detail and thinking outside the box. He is responsible for orchestrating El Clásico Miami – the first-ever match between archrivals FC Barcelona and Real Madrid C.F. in North America – which stands as the highest revenue grossing soccer match in U.S. history. When the Miami Open tennis tournament began to explore leaving its long-time home in Key Biscayne, Florida, Ross stepped in to propose hosting the tournament at Hard Rock Stadium, building a custom tennis complex that is now considered one of the best in professional tennis in terms of guest experience and player amenities. His appreciation of the aspirational culture of South Florida and its burgeoning arts scene led to the #ArtUnexpected partnership with Goldman Global Arts to transform the facility into a vibrant, monumental public art experience.

Ross is deeply committed to supporting and uniting the community that supports the Dolphins, offering tremendous support in the areas of education, health and youth football. Under his stewardship, the Dolphins have raised more than $32.5 million for local cancer research through the Dolphins Cancer Challenge. In addition, Ross has been a major proponent of growing the game of football through the Junior Dolphins program. In 2019 alone, the program impacted more than 40,000 South Floridians with the goal of educating coaches, parents and youth on the health and safety of football with a strong emphasis on character development. In August 2019, Ross was inducted into the National Football Foundation Leadership Hall of Fame. The prestigious award recognizes the country's most influential individuals who have ascended to the highest levels of success and exhibited the critical leadership qualities that transcend ordinary enterprises. In June 2020, Ross and the Miami Dolphins Foundation announced a year-long Food Relief Program with a $2 million investment that will raise an additional $1 million by matching all dollars raised by the South Florida community and Dolphins fans worldwide for a potential $4 million total impact. The initiative provides a minimum of 1,000 meals prepared by Centerplate, the team's food, beverage and retail partner, each weekday out of Hard Rock Stadium to families in need in Miami Gardens. On the weekends, the Dolphins work with area churches, local leadership, and community groups to purchase food from local restaurants to provide up to 1,000 meals to those dealing with food insecurity. The program generates jobs and revenue for the local restaurant industry, while employing guest services and security staff at the stadium that have been idled as a result of COVID-19-related event cancellations.

Furthermore, Ross has used his platform to harness the unifying power of sport to advance race relations across the country through the establishment of the nonprofit Ross Initiative in Sports for Equality (RISE). The organization's efforts have been so impactful that RISE was recognized in 2017 by ESPN's Humanitarian Awards with the Stuart Scott ENSPIRE Award. The award celebrates those who have taken risk and used an

innovative approach to help the disadvantaged through the power of sports. Ross' efforts through RISE were honored as they personify the ethos of fairness, ethics, respect and fellowship with others. This also connects to Ross' vision of the Dolphins' FOOTBALL UNITES™ program as a way to effectuate positive social change. Under his leadership, the Dolphins organization actively embraces the diversity and intersections that make up South Florida, uniting groups of different races, genders, sexual orientations, identities, abilities and faiths around the power of football. In February 2020, the Miami Dolphins were honored by the Fritz Pollard Alliance with the Paul J. Tagliabue Award for their leadership in advancing diversity.

In May 2013, Ross pledged to give more than half of his estate to philanthropic causes and charitable organizations, including South Florida-based institutions. The commitment was made through the Giving Pledge, a long-term global initiative created by Warren Buffett and Bill and Melinda Gates that aims to inspire deeper engagement in philanthropy and increase charitable giving globally.

Ross graduated from the University of Michigan with a Bachelor of Business Administration degree and from Wayne State University Law School with a Juris Doctor degree. He later received a Master of Laws in Taxation from New York University School of Law. In 2004, the University of Michigan renamed its business school the Stephen M. Ross School of Business at the University of Michigan and in 2011, the school awarded him an honorary Doctor of Laws degree at its commencement.

## CHRIS GRIER

**GENERAL MANAGER**
**COLLEGE: MASSACHUSETTS**
**NFL: 26TH SEASON**
**DOLPHINS: 21ST SEASON**

Chris Grier recently finished his 21st season with the Miami Dolphins and fifth as the club's general manager. Grier was appointed general manager on Jan. 4, 2016 after spending the previous nine years as the team's director of college scouting. As of Dec. 31, 2018, he oversees all football operations. Prior to that, Grier oversaw the draft, both college and pro personnel departments and all scouting efforts.

Grier hired Head Coach Brian Flores in February 2019 and, along with Flores, immediately implemented new philosophies to building a championship-caliber team. Utilizing a value-based approach, the Dolphins rebuilt the roster with young players who were tough, disciplined and versatile. Grier also worked to accumulate future draft capital, which resulted in the Dolphins entering the 2020 NFL draft with 14 picks, including three in the first round and two in the second. The Dolphins also have two first-round picks and two second-round picks in 2021.

Miami has quickly made strides in the past two seasons. In 2020, the Dolphins won 10 games for just the second time in the past decade despite having the second-youngest roster in the NFL. The five-game improvement from 2019 was tied for the best in the league that season and tied for the third-best in team history. The Dolphins set a team record by starting 10 different rookies that year, including eight in one game in a Week 15 win vs. New England.

With several offseason additions via free agency and the draft, Grier helped build one of the NFL's best defenses in 2020. Miami led the league in third-down defense (28.8 pct.) and takeaways (29) and finished sixth in scoring (21.1 points allowed per game).

Two of Grier's draft picks – cornerback Xavien Howard (2016, second round) and kicker Jason Sanders (2018, seventh round) earned first-team All-Pro honors in 2020, marking the first time since 2006 (Zach Thomas and Jason Taylor) the Dolphins had two first-team All-Pro honorees in the same season. Defensive tackle Raekwon Davis was named to the PFWA's All-Rookie team after Grier selected him in the second round of the 2020 NFL draft.

In 2019, the Dolphins steadily improved despite having the youngest roster in the NFL, winning five of their final nine games. First-round pick Christian Wilkins led all rookie defensive linemen with 56 tackles, the fifth-most by an NFL rookie defensive lineman since 2015.

Grier and his staff also uncovered several undrafted free agents in 2019. Wide receiver Preston Williams was tied for the NFL lead among rookies with 32 receptions at the time he suffered a season-ending injury. Cornerback Nik Needham had 11 passes defensed, the second-most among all rookies that season. Running Back Patrick Laird finished the season with 204 receiving yards, second among NFL rookie running backs.

The 2018 draft saw Grier and his personnel department net several key contributors. Linebacker Jerome Baker was a third-round pick and finished his rookie season tied for 11th among NFL rookies in tackles (76).

Baker quickly took on a leadership role and was elected a team captain in 2019, just his second season in the league.

In 2017, the Dolphins finished the season with 10 rookies on the active roster and four more on injured reserve or non-football illness lists. Miami was one of just three teams to play eight rookies on defense and one of just six to have at least four rookies start games on defense. Six undrafted rookie free agents contributed to the team that season. Defensive tackle Davon Godchaux finished his rookie campaign fourth among all NFL defensive linemen with 40 tackles (26 solo), despite being a fifth-round pick.

In his first draft as general manager in 2016, Grier selected Howard in the second round. In five NFL seasons, Howard has earned a first-team All-Pro nod (2020), been selected to the Pro Bowl twice (2018, 2020), led the NFL in interceptions in one season (2020), tied for the NFL lead in interceptions in another (2018) and totaled more interceptions since 2017 than any other NFL player.

The team also drafted running back Kenyan Drake and wide receiver Jakeem Grant in 2016, who became just the second rookie duo in team history to combine for a kickoff return and punt return for a touchdown in the same season. In 2020, Grant earned second-team All-Pro honors as a returner.

Grier helped turn more than half the roster over in 2016, as the team entered training camp with more than 45 new players acquired during the offseason. The results were a four-game improvement from the previous season, the fifth-best mark in the NFL. The Dolphins finished 10-6 with a playoff berth, the team's best record and first playoff appearance since 2008.

As the team's director of college scouting (2007-15), Grier was part of a front office that discovered numerous Pro Bowl players. During that time, the Dolphins drafted seven players that combined for 14 Pro Bowl selections with the team. The list includes tackle Jake Long (2008-10), defensive tackle Paul Soliai (2011), punter Brandon Fields (2013), center Mike Pouncey (2013-15), safety Reshad Jones (2015; 2017), wide receiver Jarvis Landry (2015-17) and running back Jay Ajayi (2016).

Grier also did a good job of finding value late in drafts. Jones was a fifth-round pick in 2010 and was named the team's co-MVP following the 2015 season after he became the first player in team history to record at least 100 tackles, four interceptions and two sacks in a season. Ajayi was also a fifth-round pick (2015) and became the fourth player in NFL history to rush for 200 yards in three games during the same season. Ajayi's 1,272 rushing yards in 2016 were third-most in Dolphins history.

Prior to being the team's director of college scouting, Grier served as an area scout with the club from 2000-02, before being promoted to national scout/assistant director of college scouting in 2003. Miami won the AFC East during his first season with the team.

Grier started with the New England Patriots as an intern in 1994. He joined the club on a full-time basis the following year, and served as a regional scout until joining the Dolphins in 2000. In 1996, Grier was part of a New England staff that won the AFC Championship. He helped scout several players for a Patriots roster that went on to win Super Bowls XXXVI, XXXVIII and XXXIX.

Grier has worked with several of football's most successful coaches and executives throughout his career and that has helped shape his football philosophy. His father, Bobby Grier, is the former vice president of player personnel for the Patriots and recently retired as a senior personnel advisor with the Houston Texans. Chris has also worked with and learned under Pro Football Hall of Famer Bill Parcells, Patriots Head Coach Bill Belichick, Seattle Seahawks Head Coach Pete Carroll and University of Alabama Head Coach Nick Saban.

Grier attended the University of Massachusetts-Amherst where he majored in journalism and played football for two years before injuries ended his career. He spent his final two years there as an undergraduate assistant.

Chris' brother, Michael, played for the Edmonton Oilers, Washington Capitals, San Jose Sharks and Buffalo Sabres of the National Hockey League and has also served as an assistant coach.

A native of Holliston, Mass., Grier and his wife, Paige, have two sons, Landon and Jackson.

# BRIAN FLORES

**HEAD COACH**
**COLLEGE: BOSTON COLLEGE**
**NFL: 17TH SEASON**
**DOLPHINS: SECOND SEASON**

Brian Flores recently finished his second season as head coach of the Miami Dolphins. He was named the 13th head coach in team history on Feb. 4, 2019.

Flores has a wealth of leadership and experience, having coached all three phases of the game – offense, defense and special teams – and beginning his professional career as a scout. During his 17 years in the NFL, Flores has won four Super Bowls – XXXIX, XLIX, LI and LIII – and seven AFC championships.

In his second season with Miami in 2020, Flores directed the Dolphins to a 10-win season by winning nine of the team's final 12 games. The five-win improvement was tied for the best in the NFL that season and tied for the third-best in Dolphins history.

Flores joined the Dolphins in 2019 after spending 15 seasons with the New England Patriots organization, where he served in a variety of different roles.

He began his NFL career in player personnel, joining the Patriots as a scouting assistant in 2004. He was promoted to pro scout in 2006.

Flores began his coaching career as a special teams assistant for New England from 2008-09.

In 2010, Flores served as an offensive assistant and also worked with special teams.

He spent his final eight seasons (2011-18) in New England coaching defense, first as a defensive assistant (2011), then as safeties coach (2012-2015), linebackers coach (2016-2017) and finally as the team's defensive play-caller and linebackers coach in 2018.

A two-year starter at linebacker for Boston College, Flores was part of four bowl-winning teams. He was named to the Big East All-Academic Team in 2003.

Flores is a native of Brooklyn, New York and attended Poly Prep, where he played running back and linebacker. He graduated from Boston College with his bachelor's degree in English and a master's degree in administrative studies.

Flores and his wife, Jennifer, were married in 2009. They have two sons, Miles and Maxwell, and a daughter, Liliana.
